

Summary of proposed changes to the Admission Arrangements for 2021/22

Admission arrangements must be consulted on a minimum of every 7 years. Westfield Academy last consulted for the 2014/15 academic year so are now consulting on the 2021/22 admission arrangements. The arrangements have been generally updated for clarification purposes and to bring them in line with DfE model wording.

The main changes are;

- The Published Admission Number has been increased to 210.
- Changing the waiting list section to keeping waiting lists for every year group
 - Clarifying the home address definition
- Removing the word 'older' from the sibling criteria so this criteria can apply for all siblings at the school.

Admission arrangements for transferring to Year 7 in September 2021 or joining a year group during the 2021/22 academic year.

Westfield Academy is a member of the Yeovil Federation. Each of the 4 academies in the Yeovil Federation share the same values and ethos with regards to admissions and are committed to working together to provide high quality inclusive education for the local communities that we each serve.

1. Introduction

Westfield is an academy for girls and boys aged 11 to 16 of all abilities and aptitudes. Its Admissions Authority is its Governing Body. This means that governors, through their Admissions Panel, decide who should attend Westfield, whether starting the school year at the beginning of Year 7 or joining any year groups during the academic year. Westfield aims to meet parental preferences whenever possible.

Governors liaise with the Local Authority (LA) which coordinates admission arrangements for all young people in Somerset. Therefore, this document should be read in conjunction with Somerset's published coordinated Admissions Scheme for September 2021 which is available from the Somerset Local Authority (see contact details at the end of this document).

2. The Published Admission Number

Governors of Westfield Academy have set 210 as the Published Admission Number for Year 7.

3. Applying for a School Place in Year 7 in September

Applications must be submitted to the home LA. If this is Somerset applications can be made on-line at www.somerset.gov.uk/admissions. Paper applications are available to download from the Somerset County Council website at www.somerset.gov.uk/admissions, or upon request by telephoning Somerset Direct on 0300 123 2224.

Applications must be received by 31 October 2020, otherwise the application will be recorded as late. Late applications will be considered after those received on time. Please see the Somerset LA co-ordinated scheme for full details.

Outcomes for on time applications will be sent out by email (for on line applicants) or second class post on 1 March 2021 (or next working day if this falls on a weekend or bank holiday).

Applying for a school place during the academic year

applications must be submitted directly to the school using the in-year application form which can be obtained on the school website or by request to the school office.

The governors' admissions committee will consider batches of applications on a weekly basis with a 4pm deadline every Friday (term time only) for receipt of applications. If more applications are received than there are places available, the over-subscription criteria will be applied.

A decision will be notified in writing to the applicant within ten school days.

Proof of address may be required to be submitted with the application. This will be either the formal 'exchange of contracts' letter from the solicitor for a house purchase, a recent utility bill or the

signing of a minimum of a six-month tenancy agreement. The Governing body reserve the right to seek further documentary evidence to support a claim of residence.

Where there are more applications than places available within a particular year group, applications will be considered against the published oversubscription criteria and allocated up to the admission number/ limit.

Places will not be allocated more than six school weeks or half a term in advance of being required. The only exceptions are children of UK service personnel and other crown servants (including Diplomats) returning to the UK with a confirmed posting to the area (see Children of UK service personnel

4. How Places are Allocated

Westfield Academy has a catchment area but will also consider applications from outside the catchment area in line with our oversubscription criteria. The catchment area can be viewed on the Local Authority website <https://www.somerset.gov.uk/education-and-families/school-catchment/>

Where there are more applications received than places available within the Published Admission Number for a particular year group, after the admission of pupils with an Education, Health and Care plan (EHCP) naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

5. Oversubscription Criteria

1. Looked After Children – Children who are in the care of a Local Authority, or have previously been, and are now formally adopted or subject to a residence/child arrangement order or special guardianship order (see important note).
2. Children of staff who have been employed at Westfield Academy for two years previous to 31 October 2020.
3. Children living in the catchment area with a sibling at Westfield Academy on 31 October 2020 and who lives at the same address.
4. Children living in the catchment area.
5. Children living outside the catchment area, with a sibling attending Westfield Academy on 31 October 2020 and who lives at the same address.
6. Children living outside the catchment area.

Important Note

A “Looked After Child” means any child who is in the care of a local authority in accordance with Section 22 (1) of the Children Act 1989. A child who was “a previously Looked After Child” means a child who after being Looked After became subject to an Adoption Order under Section 46 of the Adoption and Children Act 2002, a Residence Order under Section 8 of the Children Act 1989 or Special Guardianship Order under Section 14A of the Children Act 1989.

Tie Breaker

If in categories 1-6 above a tie-break is necessary to determine which child is admitted, the child living closest to the school will be given priority for admission. Distance is measured in a straight line by a Geographical information System (GIS) method from the geocoded point of the school site to the geocoded point of the pupil's home.

Random allocation by drawing lots supervised by someone independent of the school, will be used as a tie-break in categories 1-6 above to decide who has highest priority for admission if the distance between a child's home and the school is equidistant in any two or more cases.

However, if children of multiple birth (twins and triplets) are tied for the final place, those siblings will be admitted over PAN

Right of Appeal

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Details of how to appeal are included in the outcome email or letter.

Information on the timetable for the appeals process is published on our website by 28 February each year.

6. Waiting Lists

The Academy will operate a waiting list for every year group. Where an application for admission to the Academy is unsuccessful the application will be kept on a waiting list in order of over-subscription criteria until the end of the term to which the application refers. Should a place become available it will be offered to the highest ranking application on the list at the time. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

7. Admission of children outside their normal age group

Parents may request that their child is admitted to a year group outside their normal age range, for instance where the child is gifted or talented or in extreme circumstances where a child has suffered from particular social or medical issues impacting his or her schooling. There are many considerations to be made when admitting a child outside their normal age range and we would recommend parents view.

When such a request is made, the Governing Body will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the headteacher and any supporting evidence provided by the parent. If a request is refused, the child will still be considered for admission to their normal age group.

The parent is required to make an on-time application for the child's normal age group (if relevant) but can submit a request for admission out of the normal age group at the same time. The LA will ensure the parent is aware of whether the request for admission out of age group has been agreed before National Offer Day and the reason for any refusal.

Requests for admission out of the normal year group will be considered alongside other applications made at the same time. An application from a child who would 'normally' be a Year 8 child for a Year 7 place will be considered alongside applications for Year 7.

If a request for delayed admission is agreed, the school place application may be withdrawn before a place is offered and a new school place application will need to be made as part of the normal admissions round the following year.

If a request for a child to transfer school a year early is agreed, the school place application will be processed and an outcome will be sent on the National Offer Day.

If a request for delayed admission is refused, the school place application will be processed and an outcome will be sent on the National Offer Day

If a request for a child to transfer school a year early is refused, the school place application will not be processed and a new school place application will need to be made as part of the normal admissions round the following year.

There is no right of appeal against the decision not to allow your child to be admitted outside of their normal age group.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

8. Children from Overseas

The Governing Body will treat applications for children coming from overseas in accordance with European Union law or Home Office rules for non-European Economic Area nationals.

The Governing Body will process applications for children who are citizens of the European Economic Area (EEA) and for UK citizens living abroad. If proof of the Somerset address is not available the application will be considered on the current address. The only exceptions are children of UK service personnel and other crown servants (including Diplomats) returning to the UK with a confirmed posting to the area (see Children of UK service personnel).

The Governing Body will not allocate a place to any non EEA citizen moving into Somerset from outside the UK prior to their arrival in the country. In such cases the LA will require copies of the passports, appropriately endorsed visas and proof of residency – see home address definition. Applicants who are citizens of countries from outside the EEA should first check that their visas will not be invalidated by taking up a maintained school or academy place before applying. If in doubt, parents should contact the Home Office.

9. Withdrawal of Places

The Governing Body will consider withdrawing the offer of a place at Westfield Academy if:

- The place has been offered on the basis of an application which is subsequently found to be fraudulent or intentionally misleading.
- The parent/carer has not responded to the offer within a reasonable period of time and a further opportunity has been given for the parent to respond within 10 days having explained that the offer may be withdrawn if they do not.

10. Children of Service Personnel

The Admissions Authority endeavour to ensure that their admission arrangements support the Government's commitment to removing disadvantage for service children. In year applications are usually considered for admission up to a maximum of half a term in advance of the place being taken up. An exception is made for children of UK service personnel with a confirmed posting to the area and other Crown servants returning from overseas to live in the area where a place can be made available up to a year in advance of being required providing the appropriate documentation is provided (an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended address).

Usually, an in year place may be allocated prior to actual residency, only on receipt of exchange of contracts or a formal signed rental agreement. An exception is made for children of UK service personnel with a confirmed posting to the area and other Crown servants returning from overseas to live in the area. This means that, providing the application is accompanied by an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended address, the admissions authority will process the application on that address. If a home address is not available at this stage the admissions authority will accept a unit postal address or quartering area address.

If the parent/carer is moving to the area as a result of leaving the armed forces then no special consideration will be given to the application under the grounds of the application being made by a service family.

11. Glossary and Definitions

Siblings

For the purposes of admissions, a sibling is defined as a child living at the same address as a full or half brother or sister, an adoptive brother or sister, or children of the same household. Please see the information on shared residency arrangements which will apply if necessary in order to determine the sibling's permanent home address.

Parent

Natural parents, whether married or not, are defined as any person who, although not a natural parent, has parental responsibility for a child or young person; or any person who, although not a natural parent, has care of a child or young person (having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child, is considered to be a parent in education law).

Home Address

For the purposes of school admission, the governors' definition of a child's home address is considered to be where the child resides for the majority of their time with the person(s) who legally has/have care of the child. Documentary evidence of house ownership or a minimum six-month rental agreement may be required, together with proof of the child's residence at the property concerned. Places will not be allocated on the basis of a future house move unless this can be confirmed through the exchange of contract or a signed minimum six month formal lease agreement in place at the time of application. Please note private letting agreements may not be accepted as proof of residence. An address change due to a move to live with family or friends will not be considered until the move has taken place and suitable proof of residency has been obtained. Proof that a move from the previous address has taken place may also be required eg proof of exchange of contracts, a tenancy agreement showing the end date of the tenancy or a notice to quit from the landlord or repossession notice. The Governing Body reserve the right to seek further documentary evidence to support any claim of residence which could include contacting the estate agent, solicitor landlord or relevant professional.

An address used for childcare arrangements cannot be used as a home address for the purpose of applying for a school place. The governors may withdraw the offer of a school place if the child's home address is subsequently found to be fraudulent.

Where shared residence arrangements are in place and it is necessary to determine the home address, each parent may be required to write to the Governing Body and inform them of the number of days each week the child spends with them. Where the child spends equal time with both parents the Governing Body may ask for additional information including evidence of which parent/carer is in receipt of child benefit, and/or the name of the GP surgery at which the child is registered.
